I am an educator dedicated to inquiry based learning, with 9 years of experience in teaching in (MYP)IB curriculum. My expertise as a practicing artist and experience teaching in diverse cultural settings have helped me create engaging and relevant curriculums that ignite curiosity and foster a lifelong appreciation for the arts.

In my classroom, I prioritize creating a collaborative environment where students feel empowered to explore their creativity and take ownership of their learning. Through personalized support and differentiated instruction, I ensure that every student can succeed.
